

American Cancer Society's Extended Stay America (ESA) Lodging Program Guest Guide

Making a Reservation

Click on the URLs (links) in the email guidelines sent from the American Cancer Society to reserve a discounted room via the ESA website.

The screenshot shows the top of the ACS Patient Booking Page. At the top, there is a green navigation bar with the text "Travel Update: STAYconfident" on the left and "Extended Perks Sign In/Join My Stays 800.804.3724" on the right. Below this is the "extended STAY AMERICA" logo on the left and navigation links for "Locations", "Why STAY", "Business Travel", and "Special Offers" on the right. The main content area features a large blue-tinted image of a mountain range with the text "ACS Patient Booking Page" centered over it. At the bottom of the page, there is a search form with a red border around the input fields. The form includes a dropdown menu for "WHERE DO YOU WANT TO GO?" with "Phoenix, AZ" selected, a "CHECK IN" field with "05/08/2023", a "CHECK OUT" field with "05/10/2023", and a "ROOMS & GUESTS" dropdown with "1 Rm: 1 Gst" selected. To the right of these fields is a "SPECIAL RATE" dropdown with "Promo Code: XE..." and a green "SEARCH" button with a red arrow pointing to it.

Official Hotel Partner of the American Cancer Society

We understand sometimes accessing care means that patients with cancer must travel away from home. As the Official Hotel Partner of the American Cancer Society, Extended Stay America is here to provide a safe place to stay for patients with cancer and their families while they receive treatment.

All our spacious suites have fully equipped kitchens, which allow patients to maintain their dietary routines. We also offer amenities like free wi-fi, on-site guest laundry and pet-friendly rooms, so patients can center their focus on getting the most effective treatment.

Search above and book your room. If you have questions about eligibility for this program, please contact the American Cancer Society's 24-hour cancer helpline at 800.227.2345.

At the top of the page, enter the city where lodging is needed. Enter the check-in and check-out dates. Then select "Search." A list of hotels will populate—some of which will have 45% off rate and others with different rates. Please note that ESA room availability and locations are not guaranteed.

Guests should select the 45% off ACS rate, as those are the rooms that are a part of the ESA program. ACS is not responsible for any charges incurred if the appropriate reduced rate rooms are not booked.

Select the hotel with the 45% off rate that best matches the lodging needs by clicking on “View Rates.”
